

Wirecard CEE Integration Documentation

Created: 2019-09-21 01:03

JTL-Shop

IMPORTANT INFORMATION

You are visiting a shop extension which will become obsolete in the near future and will not be continued.

Please take a look at our online documentation, which describes in more detail how to integrate the Wirecard Payment Gateway into your online shop.

If you have any questions, please contact shop-systems-support@wirecard.com

Please have a look at our General information regarding Wirecard Shop Plugins for an overview and introduction to the use of our plugins within your shop system.

FAQ

Where do I find the SEPA response data?

The SEPA response data are stored in the database in table "tzahlungseingang" and field "cHinweis".
